

Service Provider Details and Listing Application Form

The **Service Provider Listing** is a feature of CSA Standards' GHG Registries¹. It provides a listing of professionals and organizations that offer a variety of services such as:

- The preparation of validation reports for the **GHG CleanProjects™ Registry**
- The preparation of quantification reports or GHG Reports for the **GHG CleanProjects™ Registry**
- The preparation of verification reports for the **GHG CleanProjects™ Registry**
- The preparation of carbon footprint or corporate GHG inventories for the **GHG CleanStart™ Registry**
- The preparation of verification reports for the **GHG CleanStart™ Registry**
- The preparation and posting of documents in the **Canadian GHG Challenge Registry**
- The preparation and posting of documents in the **Canadian GHG Reductions Registry**.
- **Additional services to support the voluntary carbon market.**

The **Service Provider Listing** is accessible from all four GHG Registries. It allows professionals and organizations to post a quick summary of service offerings, links to the reports or projects submitted as well as a direct link to corporate websites.

Thank you for your interest in activating a profile in the GHG Registries **Service Provider Listing**

Please fill in the form below and forward it to us by e-mail at: ghgregistries@csa.ca.

¹ CSA provides registry services to both the regulatory and voluntary carbon markets. This service provider listing is only intended for services relating to the voluntary carbon market. The service provider lists does not apply to other programs which may use CSA's registry services. Some of the same service providers may be using CSA registry services for both voluntary and mandatory carbon markets.
